

Prion 2023 - Abstract Submission Guidelines

Abstracts must be submitted under one of the conference themes→ See the themes below.

Please adhere to the formatting guidelines in the page below when preparing abstracts for submission for PRION 2023. Abstracts not formatted to the following standards will not be accepted. Please use a maximum of 300 words.

The presenting author should register for the conference. The confirmation of the payment of the registration fee must be provided with the submission of the abstract.

IMPORTANT:

Only abstracts submitted until September 1, 2023 will enter the selection process for oral and/or poster presentations. We strongly encourage participants who wish to present their work as an oral communication to keep this deadline. Abstracts submitted after this deadline will be considered for the poster sessions only, and will not be included in the special issue in the journal Prion.

Please delete this page when submitting the abstract.
